At the age of 9 I knew I was called to full time ministry and I have had that focus throughout my life. I started volunteering in my local church as soon as I was capable and I had my first degree in Biblical Studies completed by the time I graduated from high school. I have used my natural and work experience skills in church and ministry context for over 12 years. Most often in graphic and website design, event planning, coordination, consulting and administration. I also took the classes and trainings available through the churches I was a member of such as prayer team and healing room training at The Crossing UMC in Pennsylvania, USA.

In 2013, I yearned for further ministry development. I started to seek God for direction and He led me to leave my corporate career behind, sell everything I owned, and move to England to attend the Ellet Ministries International NETS program. During 2013 through 2016, I completed all four stages of the program, travelled internationally teaching and ministering (USA, Israel, Malaysia, Bulgaria), and interned at a local Church of England for a year.

My heart is in seeing people encounter God through teaching, discipleship, and prayer ministry and in turn impact their families, communities, and nations. I believe that God and His Word are the answer to the ailments of humanity and society. When we humbly turn to God and seek Him, we can experience breakthrough, freedom and prosperity in all areas of our life. The enemy has tried to do his best to discredit the church – but the truth is we already have the victory. God, in His grace, has given us wisdom and truth, and when applied to our situations, can turn things around and see the dry and broken, become alive and whole.

I hold to the convictions that God is jealous for a pure Bride reflecting the character of Christ. It is because of His love, mercy, encouragement, and discipline towards me, that I speak with wisdom and understanding. In integrity, confidentiality, and excellence, I work with leaders, ministries, organizations, and individuals to see their lives experience freedom and growth. I also travel internationally speaking and ministering.

"...who [God] comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God." 2 Corinthians 1:4

Blessings,

Haley Johnson

STATEMENT OF FAITH

The Bible is the infallible Word of God, inspired by the Holy Spirit and contains every answer to the world's problems. (2 Timothy 3:16, 17:2, 2 Peter 1:20,21)

There is one God; existing eternally in three persons: God the Father, God the Son and God the Holy Spirit. (John 10:30, John 14:26, Philippians 2:5-7)

God created the heavens and the earth. God created humanity in the image of God and gave Adam and Eve the power and authority to rule and reign. Humanity turned its back on God in rebellion and sin, gave authority to Satan and caused humanity to fall under the curse of disobedience. (Genesis 1-3)

God delayed judgment of humanity's sin due to His love for us until the proper time for Jesus, God's only Son, to be the final sacrifice. Until Jesus, humanity was to serve God through the law and rituals, passing their sins onto the head of a lamb and shedding its blood through sacrifice. Jesus became the lamb for all of humanity's sin – past, present and future.

The act of Jesus dying on the cross was out of love. God provided a way for every person to come back to God. He desires that no man may perish eternally. There is an eternal life where those with God spend in heaven and those separated from God are damned to hell.

Through the cross, Jesus gained back the authority mankind gave to Satan and now Jesus gives this authority back to mankind when they surrender to God through salvation and Lordship.

After Jesus dying on the cross as the final act of sacrifice for our sin, humanity through the drawing of the Holy Spirit can repent for their sin, confess that Jesus is their Lord and turn to follow God's ways becoming a son of God. Forgiveness and salvation from our sins is only done through faith and not by works so that no man can boast in himself.

A disciple is one who submits their life in totality to follow the ways of God and develop Godly character and fruit.

The baptism of the Holy Spirit is a gift from God and empowers us in the sanctification process and to be bold witnesses of God.

Healing (physical, emotional and mental), deliverance, miracles, and gifts of the Holy Spirit are still available today.

It is vital that we are connected with other Believers, actively studying the Word of God and serving God in our communities.
